Unit Linked Life Insurance Plan (UIN: 111L095V01)

BEFORE YOU COMMIT YOUR HARD-EARNED MONEY →

- » Analyse your Insurance and Investment needs
- » Understand the product in detail
- » Know the tenure of Renewal Premium payments

“The Linked Insurance products do not offer any liquidity during the first five years of the contract. The policyholders will not be able to surrender/withdraw the monies invested in Linked Insurance Products completely or partially till the end of fifth year”

IN THIS POLICY, THE INVESTMENT RISK IN INVESTMENT PORTFOLIO IS BORNE BY THE POLIYCHOLDER

You may have ever changing needs, but as your preferred life insurance company, SBI Life definitely understands all your financial & insurance needs. SBI Life - Smart Wealth Builder, a unit linked non participating insurance plan is an attempt to meet all your financial & insurance needs through a single product. You can use it the way you like. You can choose your required life insurance cover subject to a minimum and a maximum level.

Key Features of SBI Life – Smart Wealth Builder (UIN 111L095V01)

- Guaranteed Additions (Conditions Apply[^]) based on the policy term; higher the term, higher the guaranteed addition. Total Guaranteed Additions (Conditions Apply[^]) payable over the term can go up to 125% of one annual regular premium, depending on the policy term.
- Guaranteed Additions (Conditions Apply[^]) starting as early as 10th policy year onwards
- No Policy Administration fees for first 5 years for Regular and Limited Premium Paying Term (LPPT) plans, thereby boosting your fund value
- No Premium Allocation Charge from 11th year onwards
- Enhanced investment opportunity through 7 varied Fund Options
- Life Insurance coverage, with minimum Sum Assured based on your age
- Flexible product with an option to increase/decrease your Sum Assured from 6th policy year onwards

How does the plan work?

The premiums paid by you, net of Premium Allocation Charges are invested in fund(s) of your choice. The units are allocated depending on the price of units for the funds. The Fund Value is the total value of units that you hold across all the unit-linked funds.

In-force policies are rewarded in the form of guaranteed additions (Conditions Apply[^]) on completion of specific durations of policy term. For Regular & Limited Premium policies such guaranteed addition (Conditions Apply[^]) is a percentage of annual premium. For Single Premium policies the guaranteed additions (Conditions Apply[^]) would be a fixed percentage of the single premium.

The percentages of Guaranteed Additions (Conditions Apply[^]), for regular, limited and single premium policies are as shown below:

Policy Year End	Regular Premium Policy	LPPT Policy			Single Premium Policy
		5 PPT	8 PPT	10 PPT	
10	5.00%	5.00%	5.00%	5.00%	5.00%

PPT: Premium Paying Term, LPPT: Limited Premium Paying Term

[^] Applicable only for in-force policies.

Provided that acceptance by an insurance agent of commission in connection with a policy of life insurance taken out by himself on his own life shall not be deemed to be acceptance of a rebate of premium within the meaning of this sub section if at the time of such acceptance the insurance agent satisfies the prescribed conditions establishing that he is a bona fide insurance agent employed by the insurer.

- (2) Any person making default in complying with the provisions of this section shall be punishable with fine which may extend to five hundred rupees.

Non-Disclosure:

Section 45 of Insurance Act, 1938 states:

No Policy of life insurance effected before the commencement of this Act shall after the expiry of two years from the date of commencement of this Act and no policy of life insurance effected after the coming into force of this Act shall, after the expiry of two years from the date on which it was effected, be called in question by an insurer on the ground that a statement made in the proposal for insurance or in any report of a medical officer, or referee, or friend of the insured, or in any other document leading to the issue of the policy, was material matter or suppressed facts which it was material to disclose and that it was fraudulently made by the policy-holder and that the policy holder knew at the time of making it that the statement was false or that it suppressed facts which it was material to disclose;

Provided that nothing in this section shall prevent the insurer from calling for proof of age at any time if he is entitled to do so, and no policy shall be deemed to be called in question merely because the terms of the policy are adjusted on subsequent proof that the age of the life insured was incorrectly stated in the proposal.

In case of minor lives, date of commencement of policy and date of commencement of risk shall be same.

Benefits

Life Cover Benefit (applicable only for in-force policies)

Higher of the Fund Value or Sum Assured is payable; with a minimum of 105% of total premiums paid till the date of intimation of death. Sum assured will be reduced to the extent of partial withdrawals made in the last 2 years for age on death below 60 years and for age on death 60 years & above, all partial withdrawals made from age of 58 years onwards.

Maturity Benefit (applicable only for in-force policies)

- On survival of the life assured up to maturity, the Fund value shall be paid in a lump sum.
- Alternatively, the maturity benefit can be availed in installments under 'Settlement' option, which helps you to get periodic installments of your maturity proceeds within two to five years from the date of maturity. During the settlement period, the Fund Value will remain invested in the existing funds as per the prior allocation. The investment risk is continued to be borne by the Policyholder. No charges except Fund Management Charges will be applicable. Partial withdrawals and switching is not allowed during this period. At any point of time, if you ask for payment of remaining Fund Value the same will be paid immediately. In case of death before the end of the settlement period, remaining Fund Value is payable immediately as a lump sum to the nominee/beneficiary (e.g. legal heir). Payments will be made in the form of yearly, half-yearly, quarterly or monthly installments, as chosen by you. Half-yearly, quarterly and monthly frequency are available only through ECS credit. The first instalment will be calculated as the Fund Value as on date of maturity divided by total number of instalments based on the chosen frequency and settlement period. Each further installment will be calculated as the then available Fund Value divided by number of outstanding installments. The last installment would be the then available fund value.

NAV Computation

NAV of the fund shall be computed as:

$$\frac{\text{(Market Value of Investment held by the fund + Value of Current Assets – Value of Current Liabilities \& Provisions, if any)}}{\text{Number of Units existing on Valuation Date (before creation/redemption of units)}}$$

● **Policy Administration Charge:**

A monthly Policy administration charges as stated below, shall be deducted by cancelling units at the prevailing unit price on the first business day of each policy month.

(SAR)), Fund Management Charges (FMC), Policy Administration Charges would be deducted.

- Once the policy is converted into paid-up, there would be no further increase/decrease in the Sum Assured allowed.

If the policy is discontinued after the 1st five policy years and is in a paid up state or is in the revival period, and the fund value at any time falls below one annual premium, the policy will be terminated and the fund value available then would be paid to the policyholder.

- **Revival:** We offer you a revival period of 2 years from the date of discontinuance. You can revive your policy, during revival period, by paying all due premiums. Revival is subject to the applicable terms and conditions and underwriting acceptance. The underwriting decision would be communicated to you, post which only your cover would re-commence.
 - **If premium is discontinued during first five policy years**

If you opt to revive the policy within revival period, then the Discontinued Policy Fund will be dis-invested and the discontinuance charge, previously deducted, would be added back to this dis-invested fund amount. Company will automatically shift the resultant fund to your chosen funds in the same proportion as the fund options originally chosen or as chosen in the last switched proportion, whichever is the latest. Units will be allocated based on the NAV as on the date of such revival. Policy Administration Charges, if any and Premium Allocation Charges for the period, starting from the date of discontinuance will be deducted.
 - **If premium is discontinued after first five policy years**

Due premiums paid by you, net of charges would be invested in the same proportion as the fund options originally chosen or as chosen in the last switched proportion, whichever is the latest. Units will be allocated based on the NAV as on the date of such revival. Policy Administration Charges and Premium Allocation Charges for the period, starting from the date of discontinuance will be deducted.
- **Surrender:** You can surrender your policy at any time during the policy term. 'Complete withdrawal' (i.e. you do not exercise any of the options during notice period), would also be treated as Surrender. Once policy is surrendered there will be no option to revive the policy.
 - **If surrender is requested during the first 5 Policy years, then**
 - ✓ The lock-in condition applies.
 - ✓ Your Fund Value after deduction of applicable discontinuance charge (if any), will be transferred to the 'Discontinued Policy Fund'.
 - ✓ You will earn a minimum guaranteed interest rate of 4% p.a. on this Fund or as prescribed by the prevailing regulation, on this Fund.
 - ✓ Fund Management Charge of Discontinued Policy Fund shall be deducted. No other charge will be deducted.

- Such flexibility to change SAMF can be allowed provided all due regular premiums have been paid and the Company has been intimated in writing at least 2 months before the policy anniversary.
- The flexibility to change the SAMF can be exercised only 3 times, in total, in the entire policy term. The changes in SAMF must be within the limits provided by the product.
- Any increase in the sum assured due to increase in SAMF would be subject to underwriting and is not available at age 50 years and above.
- Cost of medical examination and tests, if any, will be borne by you.
- The SAMF once decreased cannot be increased in future.
- The changes in sum at risk due to such changes would lead to change in the Mortality charges being deducted without any change in the premium payable.
- Change in SAMF and Premium will be within the product boundary conditions.

- **Switching Option:**

You can switch your investments among the available 7 funds to suit your changing investment needs. Minimum switch amount is ₹ 5,000. Two switches are allowed free of charge in a policy year. A charge of ₹100 will be levied per switch in excess of free switches in the same policy year. Unused free switches cannot be carried forward.

- **Premium Redirection Option:**

Premium Redirection facility is allowed from 2nd policy year onwards. Premium redirection facility is free of charge.

- **Partial Withdrawals:**

- Partial withdrawals are available from the 6th policy year onwards or on attainment of age 18 by the life assured whichever is later.
- One free partial withdrawal in a policy year is allowed. A charge of ₹ 100 per withdrawal in excess of free partial withdrawal will be charged. There is no carry forward of free unused partial withdrawal for future policy years.
- A maximum of 2 partial withdrawals can be made in one policy year and not more than 5 partial withdrawals are allowed in entire policy term in case of policy term 10 years or below and 10 partial withdrawals for policy term above 10 years.
- Minimum Partial withdrawal amount allowed is ₹ 5,000 (in multiple of ₹ 1,000). Maximum Partial withdrawal allowed is up to 15% of Fund Value as on withdrawal request date.
- Partial withdrawals will not be allowed if fund value, as consequence of this withdrawal is reduced to less than 50% of the total premiums paid.

Additional Features

- **Tax Benefit:** Tax deduction under Section 80 C is available. However in case the premium paid during the financial year, exceeds 10% of the sum assured, the benefit will be limited up to 10% of the sum assured. Tax exemption under Section 10(10D) is available, subject to the premium not exceeding 10% of the sum assured in any of the years during the term of the policy.

Tax benefits, are as per the Income Tax laws & are subject to change from time to time. Please consult your tax advisor for details.

- **Free Look Period:** You can review the terms and conditions of the policy, within 15 days for policies sourced through any channel mode other than Distance Marketing and 30 days for policies sourced through Distance Marketing, from the date of the receipt of the policy document and where you disagree with any of those terms and conditions; you have the option to return the policy stating the reasons for your objection.

We shall refund you the amount arrived as per the following formula:

Fund Value,

Plus the following which are already deducted

(Premium Allocation Charges + Policy Administration Charges, if any + Mortality Charges + Corresponding Service Tax and Cess)

Minus the following:

(Mortality Charges along with the corresponding Service Tax and Cess, proportionate to the period you were covered + Medical Expenses, if any + Cost of Stamp Duty)

On free-look cancellations, the units of each Fund will be liquidated at the NAV as follows:

- If the cancellations request along with the policy document, etc. before 3.00 p.m. on any day: Closing NAV of the same day.
- If the cancellations request along with the policy document, etc. after 3.00 p.m. on any day: Closing NAV of the next business day.

The amount will be paid in lump sum.

- **Grace Period:** A grace period of 30 days will be allowed.
- **Discontinuance of Premium:** On discontinuance of premium, you can either:-
 - Revive the Policy within a period of 2 years from the date of discontinuance. If you choose to revive by paying all due premiums till date, the policy will continue as in-force.
 - Complete withdrawal from the Policy
 - Convert the policy into paid-up policy (option available only when 5 years full premium has been paid)

Company shall send you a notice (stating the above mentioned options) within 15 days from the end of the Grace period. You will have a time period of 30 days from the receipt of such notice to revert back to the Company. During this period, your Life Cover will continue. Your funds will continue to be invested in the Fund Option chosen. All charges will continue to be deducted.

If no response has been received from you within the stipulated period, then it will be deemed that you have opted for 'Complete withdrawal' and the policy would be treated in the same manner as that in 'Surrender'.

If you exercise the option to revive your policy within revival period then:

➤ If premium is discontinued during first five policy years

- ✓ Your fund value as on that date will be disinvested and credited to Discontinued Policy Fund net of relevant discontinuance charge.
- ✓ If you revive the policy within 2 years time then revival procedure as stated in Revival conditions would be applicable.
- ✓ If you do not revive within the revival period then the discontinuance fund value as on the end of revival period or the first business day of 6th policy year, whichever is later, would be paid to you and the contract would be terminated.

However, if the date of maturity falls during the revival period, then the discontinuance fund value would be paid on that date.

➤ If premium is discontinued after first 5 policy years:

- ✓ During the revival period your policy is deemed to be in force with risk cover as per terms and conditions of the policy. Mortality charges, Fund Management Charges (FMC), Policy Administration Charges would continue to be deducted.
- ✓ If you revive the policy, then the revival procedure as stated in Revival conditions would be applicable.
- ✓ If you do not revive within revival period, then the fund value as on the end of revival period or the date of maturity, whichever is earlier, would be paid to you and the contract would be terminated.
- ✓ You can choose to convert your policy to paid-up subsequent to the discontinuance of premium after 5 years.
 - The life cover would then continue with a lower sum assured called 'Paid-up sum assured'.
 - The paid-up sum assured would be equal to the sum assured, as applicable, multiplied by the ratio of total number of premiums paid to the original number of premiums payable as per the terms and conditions of the policy.
 - During the period in which the policy remains paid-up, appropriate mortality (on the paid-up Sum-at-risk
